MITSUBISHI PENCIL

WITH UNI SUPER INK

comes

UNI SUPER PENS

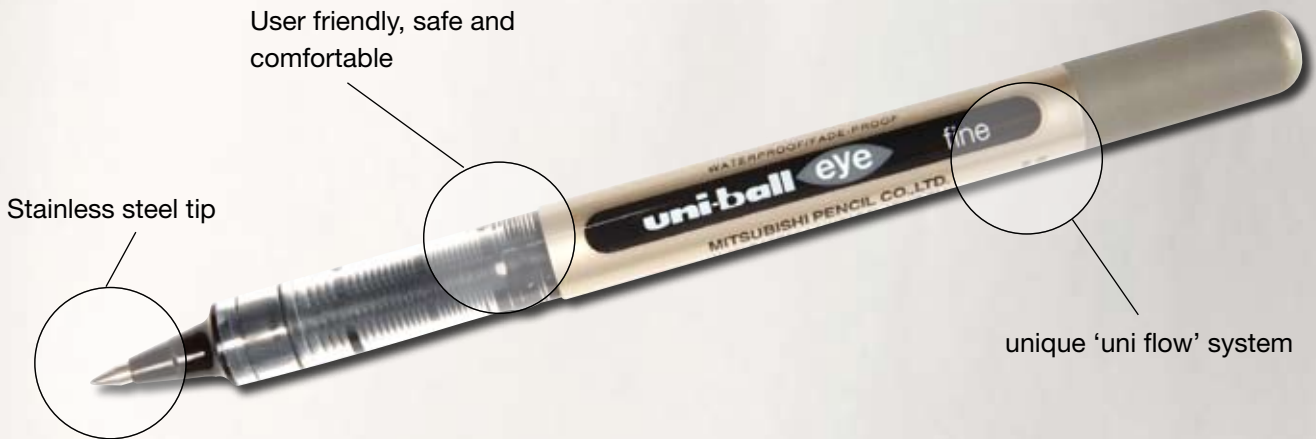

EYE

With uni Super Ink comes uni super endurance.

A world class hero that stands the test of time, the Eye has been the worlds favorite uniball star for over 10 years. A multi-talented force to be reckoned with, its unique, smooth ink flow system ensures a high writing performance right down to the last drop of fade resistant, waterproof ink.

*your writing's
always in
safe hands*

User friendly, safe and comfortable

Stainless steel tip

unique 'uni flow' system

The power of uni Mitsubishi technology

- User friendly, safe and comfortable to use
- A stainless steel tip to provides durability and maintains a smooth flow even with minimum pressure.
- A safety cap eliminates choking hazards for small children
- A unique 'uni flow' system ensures a continuous flow of ink right down to the last drop.
- Two tip sizes available - Medium: 0.5mm line (0.7mm ball) and fine: 0.3mm line (0.5mm ball)
