VISION ELITE

With uni Super Ink comes uni super-smooth handwriting

Vision Elite is a smooth operator. A flowing fountain-pen style makes it ideal for written letters, invitations and business documents, perfect for when your handwriting needs to look as professional as possible. New "Airplane safe" technology prevents leaks on aircraft with changes in cabin pressure, making Vision Elite perfect for frequent travellers too.

your writing's always in safe hands

The power of uni Mitsubishi technology

- Two tip sizes available - Medium (0.8mm ball delivering a 0.6mm line) and Fine (0.5mm ball delivering a 0.4mm line)
- The widest range of colours available in a liquid ink rollerball
- Comes in 8 vivid colours
- An interior reservoir reduces the space for air to expand, minimising the possibility of leakage
- Refills available
